4    ALBUQUERQUE CLERICAL AND TECHNICAL EMPLOYEES, (hereinafter referred to as the  
5    "Union").

6  
7       The parties agree that their respective policies will not violate the rights of any employee  
8    covered by this Agreement because of race, age, sex, creed, color, national origin, union, or  
9    non-union affiliation. Neither party will tolerate sexual harassment. The parties further agree that  
10   they will comply with the Americans with Disabilities Act, the City of Albuquerque Administrative  
11   Instruction 7-18 and the Personnel Rules and Regulations.

12  
13       The general purpose of this Agreement is to provide for orderly and constructive  
14   employee relations in the public interest, and in the interest of all employees herein covered, and  
15   in the interest of the City, to maintain harmony, cooperation, and understanding between the  
16   Employer and the employees in the Unit; and to afford protection of the rights and privileges of  
17   all employees in the Unit and the Employer; and to insure the continued delivery of services to  
18   the citizens of Albuquerque.

19  
20       The City, the Union, and its members agree that every effort will be made to administer  
21   and abide by this Agreement in accordance with the true intent of its terms and provisions to the  
22   end of maintaining sound labor management relations.

26   A.    This Agreement relates to the employees of the City in the designated collective  
27   bargaining unit. The parties do hereby acknowledge that this Agreement represents an  
28   amicable understanding reached by both parties as the result of negotiations of the  
29   parties as provided in the City of Albuquerque Labor- Management Relations Ordinance,  
30   or as amended.

31   B.    This Agreement replaces in its entirety any and all previous Agreements and represents  
32   the only Agreement of the parties hereto. Neither party has an obligation to open  
33   negotiations prior to 60 days before the expiration of this Agreement, however, by mutual  
34   Agreement, the parties may open negotiations at any time.

35   C.    Under normal circumstances, the Union will be given prior notice of proposed changes in  
36   the City or department wide written policies that directly affect bargaining unit employees'  
37   working conditions. The Union will be given no less than 5 (five) working days from the  
38   time of notice to provide input. This input period may or may not delay implementation,  
39   but may require revision or cancellation of the originally proposed policy. The parties may  
40   agree to extend time limits by mutual consent.

41   D.    The Union will provide input through the Office of Employee Relations or Department on  
42   changes to policies, rules, and handbooks.

4 employees on the basis of seniority in classification, unless the division manager or  
5 section head determines in good faith that the overtime assignment requires specific job

7 most senior. Qualified employees shall be offered overtime work on a rotational basis  
8 from the seniority list. The first employee on the list shall be the first to be offered  
9 overtime. If any employees on the list have been offered the opportunity to work overtime.

11 shall assign overtime on a rotational basis in reverse order of the class seniority list.
- 12 G. Overtime work assignments which are immediately adjacent to the end of a work shift will  
13 first be offered to the employees who are currently on duty performing the work at the end  
14 of the regular shift. Overtime work assignments, which overlap the end of a work shift, will  
15 first be assigned to the employees who are performing the work at the end of the regular  
16 shift. All other overtime will be administered in accordance with Subsection F.
- 17 H. Employees who decline to work two (2) voluntary overtime assignments during a calendar  
18 quarter may be removed from the voluntary overtime list for the duration of the quarter at  
19 the discretion of management. Disputes regarding the removal of an employee from the  
20 voluntary overtime list will be addressed through the Office of Employee Relations for  
21 resolution.

26 assignment.
- 27 B. Employees will be allowed to accrue a maximum of 84 hours (56 hours at one and  
28 one-half time) of compensatory time. Approved compensatory time will be used on a first-  
29 in, first-out basis, with a maximum retention period of 365 days. Compensatory time not  
30 used within 365 days from the date it was accumulated will be paid at the employee's  
31 current hourly rate and will be deducted from their compensatory time accruals. For  
32 purposes of computing overtime, paid compensatory time is not considered as time  
33 worked.
- 34 C. Employees who have compensatory time shall, upon termination of employment, be paid  
35 for the unused compensatory time at their current rate of pay if it cannot be scheduled  
36 and taken prior to the termination date.

- 4) Any shift, which begins between the hours of 7:30 pm, and 3:29 am, shall be considered graveyard shift, and shall be paid graveyard shift differential pay.
- 5) Shift differential shall be paid on the basis of the employees regularly assigned/designated shift. This shall not be affected by temporary changes in work shifts.
- B. Shift-days off will be bid for by seniority within classification within the given work unit, provided management may require that one-half (1/2) of the unit be made up of employees with at least one (1) year experience.
- C. No employee shall be required to work two complete consecutive shifts or the majority of the second shift, without the equivalent of one complete shift of non-work status following the second assignment.

- A. Employees will be given the opportunity to bid semi-annually on shift or days off in work units where shift work exists. A Union representative will be present to assist with the bid. It is the responsibility of the union to have a representative present. The bidding process will not be delayed because of a Union representative not being present. There will be a full-time bidding roster for full-time positions and a part-time bidding roster for part-time positions in work units where this applies.
- B. Bidding for shift or days off will commence during the first ten (10) calendar days of the months of January and July. The new bid assignment will then take place at the start of the next full pay period. Management will provide to the Union President or designee a copy of the new shifts or days off assignments to be offered one (1) week prior to the bid. Seniority as defined in Section 32B, of this Contract will be used for the purpose of bidding for shifts or days off. Employees who change shifts as a result of a bid must re-submit any scheduled vacation for review and approval within the new shift assignment.
- C. When a vacancy on shifts or days off is to be filled, reasonable efforts will be made to ensure that it is filled in an expeditious manner. The initial vacancy will be offered and filled by order of seniority; the second vacancy created by this process will be offered and filled by order of seniority; the third vacancy created by this process may be filled at management's discretion for the duration of the current bid, only. Should no one bid for these vacancies, reassignments will be made in a reverse order of seniority.
- D. Permanent full-time employees may only bid for full-time positions and permanent part-time employees may only bid for part-time positions.
- E. The Union President may appoint an employee from each department to provide input into the development and operation of the bidding process.

- 1 G. Bidding roster for interim vacancies will be posted for five (5) working days within the  
2 work unit and will be filled on seniority basis (Section 11 C). The implementation of the  
3 results of this bid selection may only be delayed due to staffing requirements until the  
4 vacant position is filled.

## 6 **SECTION 12. CHANGE IN WORK HOURS OR WORK LOCATIONS**

- 7 A. The City and the Union recognize the employee's need for advance notification for  
8 changes in work locations/hours to accommodate problems with childcare and/or  
9 transportation. The following time requirements shall be considered as minimum:

10 A permanent change in work hours/locations shall require a 120-hour advance notice (to  
11 include a minimum of 3 working days to the employee.

- 12  
13 B. The parties recognize that temporary changes in work hours or locations are solely  
14 intended to promote productivity, and to allow flexibility to respond to the needs of  
15 employees and management in addressing changing work place tasks. Temporary  
16 changes in work hours or locations will not exceed 30 days.

- 17 C. A change in work locations shall be defined as a change in the actual City facility in which  
18 an employee works, and shall not include changing offices or work spaces located within  
19 the same facility.

- 20 D. Concerns over changes in work hours/locations will be addressed through the Office of  
21 Employee Relations and with the Local 2962 President or designee.

## 23 **SECTION 13. STAND-BY TIME**

- 24 A. Employees assigned to standby time status shall receive four (4) hours of straight time  
25 pay for each twenty-four (24) hour period. Should an employee be unable to complete a  
26 standby assignment and another employee has to be assigned, the standby pay for that  
27 period will be pro-rated between the employees who worked the assignment.

- 28 B. Such 24-hour period shall start at the time the employee begins his/her standby status.

- 29 C. It shall be the responsibility of the employee placed on standby status to keep his/her  
30 supervisor informed as to where he/she can be reached. Standby time shall not be  
31 considered time worked for the purpose of computing overtime payment. It is recognized  
32 that employees on standby status who are provided pagers are not covered by this  
33 section. Employees with pagers are not paid for standby time.

- 34 D. An employee who works in a "twenty-four hour/seven days" section shall not be required  
35 to work stand-by.

Employees who work on their birthday shall receive an alternate day off that they must schedule with the approval of their supervisor within one calendar year from their actual birthday. This shall not be calculated at time and one-half. All requests for leave will be submitted for approval on City form P-30, "Request for Leave of Absence", and will have the necessary documentation attached. Except in cases of emergency, the form P-30 must be submitted and approved in advance of the requested leave. In case of emergency, if an employee is to be absent from duty before the necessary forms have been submitted and approved, he/she must request approval from his/her immediate supervisor within a reasonable amount of time before he/she is regularly scheduled to report for duty.

Independence Day	July 4
Labor Day	First Monday in September
Veteran's Day	November 11
Thanksgiving Day	Fourth Thursday in November
The Day After Thanksgiving Day	Fourth Friday in November
Christmas Day	December 25

- 1. The employee shall receive holiday pay, depending on the employee's normal work shift, at his/her normal hourly rate. For the purpose of computing overtime, an employee will be credited with holiday time plus the number of hours worked.
- 2. An employee called back to work on a holiday will receive a minimum of three hours straight time pay or time and one-half for the hours actually worked, whichever is greater, in addition to holiday pay.
- 3. Employees working in positions who are not normally required to work holidays may float that holiday with the approval of management. Approval to work holiday must be submitted in writing not later than 48 hours in advance of the holiday.

Employees working the holiday will receive straight time pay for the time worked. Floated (Floated Holiday) time must be taken within 180 days of its accrual.

4. In filling the routine staffing requirements for holidays, the required personnel will be assigned from a roster of those employees who have indicated a desire to work on the holiday, on a rotating basis, or float the holiday based on seniority in classification, by work unit, by shift and by normal workdays. If staffing requirements cannot be met from those who volunteer, then those employees who are required to work shall be assigned on the basis of reverse order of seniority, on a rotating basis, in classification by work unit, by shift and by normal workdays. Employees ordered to work may choose to float the holiday or receive the holiday as specified in paragraph B 1.

5. All holidays may be designated as a floating holiday by the employee. A floating holiday is available only to those employees who are required to actually work on their holiday. Employees taking this option will accumulate "holiday time" of 1-1/2 hours for each hour worked. Records of "holiday time" will not be added to vacation balances but will be separately tabulated. Employees must use their "holiday time" within 180 days from the date it was accumulated. Employees who fail to use their holiday time within 180 days will be paid for time accumulated at time and one-half and the time will be stricken from their records. "Holiday time" cannot be converted to cash upon termination of employment.

6. If a contractually designated holiday falls on the first day of an employee's normal days off, the holiday will be observed on the previous day. If a contractually designated holiday falls on the second day of an employee's normal days off, the holiday will be observed on the following day. State Law requires, under certain conditions, all employees who are registered electors be granted two hours with pay between the opening and closing of the polls to vote on all election days. Department directors must grant this time off for voting if requested by employees registered to vote. Department directors should schedule the time taken so that offices remain open during the normal working hours and the work of the department is affected as little as possible.

Departments will not grant time off with pay to any employee whose normal workday begins more than two hours after the opening of the polls, or ends more than three hours prior to the closing of the polls. Time taken off for voting can be used for no other purpose. Department directors may require an employee to prove that he/she is a registered and eligible voter.

No vacation leave will be granted before it is accrued. Vacation leave will not be unreasonably denied. When a legal holiday that would have been a regular work day for the employee occurs during vacation, it shall not be charged as vacation leave but as a holiday. D. In work units where shift work is performed, employees will be offered the opportunity during the first week of each shift bid cycle to submit vacation requests for periods of forty hours or more. These requests will be approved on the basis of seniority by classification within the work unit, and shift assignment, as staffing levels provide. Employees may only apply for vacation leave for the amount they have accrued at the time of their request. Request for vacation leave will only be approved within the current bid cycle. Within fourteen (14) calendar days, the employee will be given a written response of approval or disapproval of leave.

- 1 E. Subsequent request for vacation leave will be approved on a first come, first served basis  
2 as staffing levels permit. A response will be given in reasonable time. If two or more

  3. If the employee's supervisor decides to conduct an investigation, the supervisor shall submit a written notification of investigation to the affected employee no later than ten (10) work days after the supervisor knew or reasonably should have known of the act that the investigation is being initiated.
  4. An employee disciplinary investigation shall normally not exceed ninety (90) days from the date an employee receives a notice of investigation as cited in paragraph 3 herein. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the employee's supervisor. The requests will be granted provided the supervisor shall not be required to provide information that might jeopardize the investigation process. If the investigation exceeds ninety (90) days, the employee shall receive a written notice of the extension from the employee's supervisor, or the supervisor's designee, no later than ninety (90) days after the employee received the initial notice of investigation.
- A. In the event discipline is to be implemented, action will be initiated within ten (10) working days of the commission, omission or discovery of the act. In cases requiring lengthy investigation, disciplinary action will not be initiated until the facts have been established.
- B. A hearing shall be convened to allow the employee and his/her representative the opportunity to explain the reasons for the employee's actions or lack of action, which may result in disciplinary action other than an oral reprimand. In notifying the employee of the measure of discipline to be imposed, it is recognized that the employee has the right to have Union representation. Within 72 hours prior to the pre-determination hearing the employee and his/her representative will be allowed the opportunity to review all evidence relevant to allegations/charges against the employee. The employee may request copies of evidence. Management will make a reasonable effort to accommodate such requests, at the employee's expense.

Management shall evaluate options for imposing progressive discipline prior to the issuance of written reprimands and suspensions.
- D. City management is encouraged to utilize positive corrective action as a method of aiding employees in avoiding work rule violations and assisting in employee development. Although the parties hope that such corrective action will be a positive interaction between the employee and management, it may also be used to demonstrate management's attempts to improve the employee's performance.
- E. If management has a need to correct an employee regarding the employee's conduct or to correct the handling of the employee's work it shall normally be done in private. If a problem on this issue arises, the Union shall initiate a meeting with the Office of Employee Relations to attempt to resolve the concerns at the earliest opportunity.

B. The aggrieved employee may have Union representation at any step in the grievance process.

C. As a condition of employment, employees are required to appear as witnesses in grievance hearings when requested by the aggrieved employee or by the City. Requests for the appearance of witnesses will be made through the Office of Employee Relations. An employee called as a witness during working hours shall be paid at his/her regular rate of pay. The employee will be required to return to work when he/she is no longer needed as a witness.

D. Employees called as witnesses during time off shall be paid at straight time for the time spent at the hearing by whichever party is requiring the employee to appear. This time is not considered time worked for the purpose of computing overtime compensation.

E. An officer or steward will be allowed reasonable time off with pay to represent an employee during a pre-determination or grievance hearing.

F. The Union President and the Office of Employee Relations will meet as necessary to review the disciplinary actions, pending grievances, and other matters of mutual concern in an attempt to resolve these problems informally.

G. In lieu of scheduling a pre-determination hearing, an employee and his/her department director may agree in writing to attempt to resolve a disciplinary action through mediation, as coordinated through the City Legal Department. Discipline will be resolved and concluded by mutual agreement.

Mediation may be invoked by the parties by mutual agreement at any step during the Grievance procedure. Any pending timelines at that time shall be suspended during the course of mediation without prejudice to either party.

H. If an employee wishes to appeal a termination disciplinary action that is subject to the Grievance Procedure, the employee shall elect to use this Grievance Procedure or the City's Merit System Ordinance to appeal the action. If the employee decides to use the City's Merit System Ordinance to appeal a termination disciplinary action, the employee shall appeal the disciplinary action in writing and in accordance with the Merit System Ordinance no later than ten (10) days after the employee receives the written notice of disciplinary action. An employee who decides to use this Agreement's Grievance procedure to appeal a termination disciplinary action shall appeal the disciplinary action by filing a written grievance no later than fourteen (14) days after the employee received the written notice of disciplinary action. If the employee decides to use this Agreement

Grievance procedure to appeal the termination disciplinary action, the employee may not also use the Merit System Ordinance to appeal the action. If the employee utilizes the Merit Systems Ordinance appeal procedures, the employee may not use this Agreement's Grievance Procedure appeal procedures. This decision shall be irrevocable. If the Union, at a later date, decides that the employee's grievance is not meritorious and withdraws the grievance, the employee may not submit an appeal through the Merit System Ordinance. The provision set forth herein shall not conflict with any state or federal law.

I. A grievance shall be defined as an alleged violation of a specific provision of this Agreement. Discipline grievances shall be appealed in accordance with the City's merit System Ordinance with the exception set forth under paragraph I herein. A non-disciplinary grievance shall be filed in writing with the employee's department director no later than ten (10) working days after the employee knew or reasonably should have known that a grievance has occurred. No later than ten (10) working days after the director receives the written grievance, the director shall submit a written response to the Union. A copy will be sent to the Employee relations Officer.

If an employee or the Union is not satisfied with the director's written disposition, or if the department director does not submit the director's decision within the ten (10) work day time limit set forth above, the Union may appeal the grievance to the Employee relations Officer no later than ten (10) working days after the employee or Union received the written disposition or the deadline for the director to issue the disposition has expired, whichever comes first. The Employee relations Officer shall meet with the grieving employee and the Union no later than fifteen (15) working days after the Employee relations Officer receives the appeal.

The Employee relations Officer will issue a written disposition on the grievance to the Union and the department director no later than ten (10) working days after the close of the Employee Relations Officer's meeting cited above.

If the Union is not satisfied with the Employee relations Officer's written disposition, or if the Employee Relations Officer does not submit the Officer's written decision within the ten (10) working day time limit set forth above, the Union may appeal the grievance to the City's Labor-Management Relations Board. The parties will thereafter comply with the Board's rules and procedures.

J. If the Union is not satisfied with the CAO's written disposition regarding a termination, the grievance may be submitted to final and binding arbitration by the Union but not by the individual grievant within fifteen (15) working days after receipt of the written response by the CAO.

Within fifteen (15) working days of the written demand for arbitration, the Union shall make a request for a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service (FMCS) unless the parties by such time agree upon an arbitrator.

Within fifteen (15) working days after receipt of a list of arbitrators, the parties shall confer to select the arbitrator. The Union and the City alternately eliminating names shall make the selection. The last name remaining shall be the arbitrator. The parties shall flip a coin to determine who shall strike the first name. If either party fails or refuses to strike a name from the list, the other party may request that the FMCS unilaterally appoint an arbitrator to hear the matter. Once an arbitrator is either selected by the parties or appointed by the FMCS, the arbitrator shall have full jurisdiction.

The decision of the arbitrator shall be based upon the facts established by the testimony and documents presented in the case. The arbitrator shall no power to add to, subtract from, alter or modify any of the terms of this Agreement, but may give appropriate interpretation or application to such terms and apply appropriate relief. The arbitrator shall not have authority to make an award which includes a fine or other punitive damages or

an award of attorney's fees. Each party shall pay one-half (1/2) of the arbitrator's fees and expenses. The arbitrator's decision shall be final and binding upon the parties subject to the laws of the State of New Mexico. In arbitrations challenging a disciplinary action, the City shall have the initial burden of proof. If the Union initiates a suitable agreement before arbitration, and the City declines the offer, the City will pay the full cost of the arbitration if the City loses the case. If the arbitrator orders reinstatement of the employee, the arbitrator's back pay award shall be limited to pay and benefits for time lost less any compensation the employee earned after the termination.

- K. Alleged violations of the commitments set forth in the second paragraph of the Preamble may be appealed to the City's Equal Employment Office (EEO) for redress. If the employee is not satisfied with the EEO's disposition of the issue, the employee may appeal the issue to the appropriate federal or state agency or, if Administrative Instruction 7-18 is alleged to have been violated and if the protection alleged to have been violated does not fall under the jurisdiction of a state or federal agency, the issue may be appealed through this Agreement's Grievance Procedure.

## **SECTION 32. SENIORITY**

Unless otherwise specifically defined in this agreement, seniority for the purposes of this Agreement shall be defined as follows:

- B. For the purposes set forth in Section 11, Shift-Days Off Bid and Section 7, Overtime, seniority shall be defined as length of continuous service in a department by classification within a work unit as a permanent employee.

- E. Seniority will be measured from the employee's date of hire.
